Choose A Civil War Persona

Select two historical figures from our "Who's Who in 1850" and add one of your own not on that list (from your own Internet research). Ms. Turner will make the final selection, based on what she knows about these people, you, and the other students in the class.

You will be playing the part of this character (a "persona" is a "mask") in our project, so pick someone you would enjoy representing. You will need to be clear about this person's view about slavery, so make sure there is enough information online to give you good reasons for your decision.
